Agreement of Understanding for Student Interns

The following agreement is between students /interviewer (name) _____
from the (School name) _____ and the (program name)
_____ of *THE FUTURE IS TODAY FOUNDATION (FTF)*. This
agreement recognizes the importance of the learning experience for the student/interviewer and the
benefits of the interviewing for the programs of *THE FUTURE IS TODAY FOUNDATION (FTF)* as well
as the shared responsibility for all research conducted among *THE FUTURE IS TODAY FOUNDATION*
(*FTF*) programs, staff, clients and agency infrastructure.

Student Intern/ interviewer Research Proposal: The Student Intern/interviewer is required to submit an
Internship Research/interview repots Proposal to the Program staff supervising their
internship//interviews. The (Internship Research/interview repots) will be reviewed by the program staff
and then presented by the staff to *THE FUTURE IS TODAY FOUNDATION (FTF)* School for approval.
The proposal should clearly state the purpose of the Internship/ interviewer and the academic requirement
that the Internship/interviewer is fulfilling. The school should clearly state the purpose of the research/
interviewer project, research questions, a brief literature review, intended methods for the project, and
anticipated risks, benefits and outcomes. The Student Intern/ interviewer should plainly state future
intentions of their research whether it be for student coursework, evaluation for internal agency purposes,
and/or for public information sharing including academic, community and various learning forums.

Public Sharing: *THE FUTURE IS TODAY FOUNDATION (FTF)* recognizes that the Student Intern
research/ interviewer project may yield findings and conclusions that may contribute to the public
knowledge base in the form of conference presentations, workshops, posters, publications and other
forums of public information sharing. The Student Intern/ interviewer and *THE FUTURE IS TODAY*
FOUNDATION (FTF) school will share ownership and responsibility in any information sharing forum

outside, and must be approved by the appropriate agency personnel deemed appropriate by program staff. In instances where agreement cannot be reached, which may include content, format and potential forums for information sharing, *THE FUTURE IS TODAY FOUNDATION (FTF)* school reserves the right to withhold the ability to proceed with information sharing outside and the agency.
